Get great easytime summer hair at Nilli Salonspa

It's summertime, a season known for easy living. Having great hair always makes life breezy and easy. It all starts with the cut. Nilli, of *Nilli Salonspa*, works with your natural hair tendencies, for a cut that enhances your features and also fits your lifestyle.

Nilli has been internationally recognized for her skill and creativity. Her talent is creating haircuts so easy to maintain that, even when left to air dry, they fall naturally into place. While Nilli can cut any length/style of hair, she is especially skilled at **short haircuts**.

As a long-time Nilli client we can tell you that Nilli has given us the hair we've always dreamed of—hair that is shiny, healthy and easy to manage.

Nilli uses a different process for colouring and highlighting hair, that actually conditions your hair and makes it healthier. Plus, they use all Kérastase products for everything—from shampoo, to treatments, to finishing/styling products. We're completely devoted to the Kérastase styling and product line, especially the new Age Premium line—it infuses our hair with body and suppleness. *Nilli Salonspa* is also devoted to helping you learn how to make the most of your hair with educational seminars. Call salon to learn more.

Nilli Salonspa is now open Saturdays and has late, extended evening hours. Call for details.

This summer visit *Nilli Salonspa* for a **cut and highlights (and/or colour)** and save **20% off** your entire bill. Offer expires July 15/11.

COBS Bread—redefining the burger

Traditionally, a burger has been defined as a meat patty topped with cheese, lettuce and tomato sandwiched between a standard white bun. In more recent years, burgers have transformed to become a key element in a gourmet summer meal. This summer, *COBS Bread* is exploring the evolution and redefinition of burgers and encourages you to do the same!

Whatever your take on the burger, *COBS Bread* has the bun for you. Going healthy? Try whole wheat, country grain, higher fibre low GI or new CHIA white and whole wheat buns. Staying on trend? Try slider buns which come in traditional, white and whole wheat varieties. Sticking to the classics? Try white or traditional buns.

If you want to explore your options, *COBS Bread* allows you to mix and match your buns to suit the most creative burger connoisseur.

What's more, the white, whole wheat, country grain and higher fibre low GI buns have no added sugar or preservatives so they are better for you and your family.

Once you've mastered your burger, you can share your creation for a chance to win a Napoleon Ultra

Chef Grill, Travel Q Portable Grill and other prizes. Simply take a photo of your burger featuring a *COBS Bread* bun then post the photo and your recipe to the *COBS Bread* Facebook page (facebook.com/cobsbread). **The contest ends June 30, so get cooking!**

Visit www.cobsbread.com for full contest details.

Speaking of Dogs—rescuing all breeds of dogs since 2001

Considering adopting a rescue dog? Perhaps you can't make the commitment but would like to help by caring for a dog short-term, in which case you might want to think about becoming a foster parent.

Speaking of Dogs Rescue, an all-breed rescue launched in 2001, is Toronto-based and always in recruit mode for responsible, caring people to become part of its foster parent team.

Dogs taken into the rescue come in all shapes, sizes and breed mixes, with the majority originating from shelters or puppy mills. More importantly, older dogs are welcomed at *Speaking of Dogs Rescue*; the senior citizens who have been abandoned through no fault of their own (often due to an owner passing) are often in need of a second leash on life.

Speaking of Dogs Rescue covers veterinary and medical attention, food and all the supplies needed for the dogs in foster care. Foster parents need to offer a safe environment along with heaping helpings of TLC; patience and understanding are also requirements. Fostering is a serious responsibility with unmatched rewards. It is a great option for people who travel south for the winter, have seasonal careers or even people who are considering adopting but would like to 'wade in' before making the plunge.

If you are interested, contact www.speakingofdogs.com for a foster package that is chock full of everything you need to know to get started! An application can be sent to you by emailing lorraine@speakingofdogs.com.

Visit *Speaking of Dogs* at Woofstock on Sat. June 11th & Sun. June 12th in the St. Lawrence Market Place. Get more info at www.woofstock.ca. They also need walkers and pledgers to support them in the Woofstock walkathon. Visit www.speakingofdogs.com to learn more.
